List of all the RISD
Museum events

For 1 day show, % applies as duration of time, not with the duration of days.

The intensity of red represents how "urgent" to visit the museum. For example, if there are 14 days left, $100 - 14 = 86\%$ tint level would be apply.

List of one-day events

If the number exceeds 99, it eventually has 0% red tint with smaller type size.

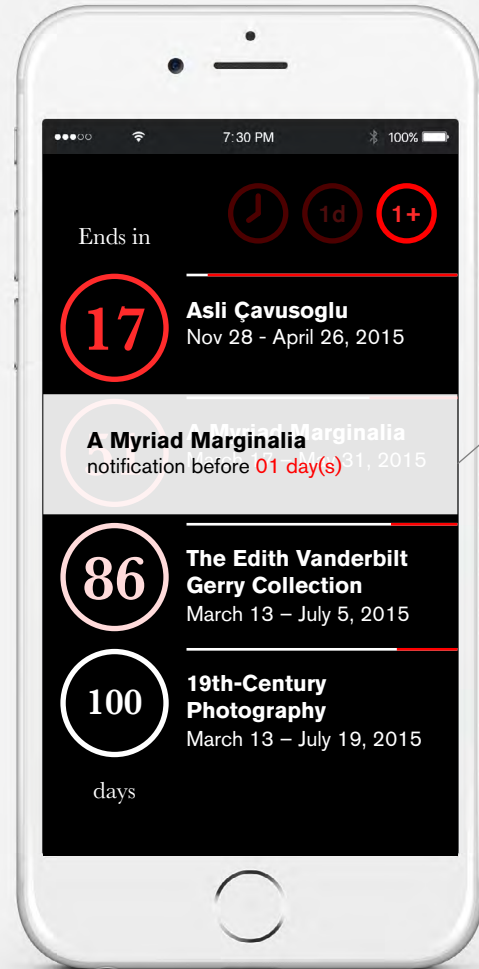

132/149 days
88% passed

23/75 days
88% passed

27/114 days
23% passed

27/128 days
23% passed

List of long-term events

By sliding the event to left side, the user reserves a notification. Number and unit (days, hours, minutes) can be adjusted by the user.
